

Northbound (from San Francisco)

Exit from 101 North at Richmond Bridge/San Anselmo, staying right to Richmond Bridge. **Bear right** at bottom of hill (before traffic light). **Stay to the far right and drive slowly**, entrance to Wood Island is on the right just 50 yards after exit ramp (pass two buildings the second of which is a Kayak Outdoor Rental shop) – the entrance is just before a blue and white sign for Equity Office Properties, Wood Island Office Complex.

Make the right and proceed uphill to parking lot, drive to middle right side and toward far end of parking lot where you will see a red phone booth in the center island.

Parking available for visitors in that area near phone booth. Entrance is at the double doors with a large 80 on the entrance awning.
